

# Voting at the Polls

## Do's and Don'ts

- Do:** **Check your registration and find your polling place** at [Michigan.gov/Vote](https://Michigan.gov/Vote). If your registration is not up to date, visit your clerk's office immediately with proof of residency.
- Do:** **Bring photo identification with you.** If you do not have photo ID, you will need to sign an affidavit before voting.
- Do:** **Wear a mask and know that all election personnel are required to wear them.** The state has provided masks, gloves, hand sanitizer, cleaning protocols and social distancing guidelines.
- Do:** **Request use of the Voter Assist Terminal** if you have a disability or would prefer to use it.
- Don't:** **Speak to anyone who says they are a poll watcher or challenger.** They are not allowed to speak to voters. Report violations to an election worker immediately.
- Don't:** **Leave the polling place without voting.** The law requires that anyone in line by 8 p.m. be allowed to vote.
- Don't:** **Allow anyone else to cast your ballot for you.** It is your ballot and you must place it into the tabulation machine.

**Report any voter intimidation, harassment or coercion you witness.**

Notify an election worker or contact the nonpartisan election protection hotline at 866-OUR-VOTE.
