4. Leo has a list of inquiries regarding multiple topics:

**a.)** I found a record of only one rezoning. . July 14, 2016 the former Township hall property was rezoned from residential to commercial C-1 by the township board. Apparently this was never provided to region 2. According to the attorney the planning committee contacted we also rezoned properties by approving solar energy ordinance. Who has meeting minutes for the years before 2013? What zoning category are we going to call the property that was rezoned with solar ordinance?

**b.)** Oct 21, 2021 The board voted to increase the price of all cemetery lots to \$350. Are we charging \$350 for all lots?

**c.)** June 13, 2013 the board voted to have a draft copy of minutes provided to board members within 8 days after meeting.

**d.)** Many times the minutes say to see the attached sheet. (there are none on the website, should there be?)

**e.)** March 14, 2013 says that the board decided to increase the Trustee salary to \$3,600 per year. Somewhere there must have been a decision to reduce it to \$1,800 since that is what it was when I was first elected. Probably on one of those attached sheets.

**f.)** Oct 12, 2017 Al Boggs reported that the new flag pole had been ordered, \$700 was apparently approved for purchase. Is there a flag pole somewhere in the township hall we bought in 2017?
